Statement of Faith

- We believe that the Bible is the divinely inspired and infallible Word of God and is authoritative in matters of Christian belief and conduct.
- We believe that there is but one living and true God, who exists eternally in three persons: the Father, the Son, and the Holy Spirit.
- We believe that Jesus Christ is both fully Divine and fully Human.
- We believe that humans were created in the image of God, that we sinned, and in consequence incurred not only physical death, but also spiritual death (separation from God).
- We believe that the death of Jesus Christ on the cross is sufficient for the atonement of all of humankind's sins.
- We believe that God in His mercy and grace saves all who repent of their sins and trust in Jesus Christ, justifying them through faith in the Saviour and giving them new life by the Holy Spirit.
- We believe in the bodily resurrection of the just and of the unjust, and in the eternal blessedness of the redeemed and the eternal punishment of the lost.

4. To comply with legal or regulatory requirements

For example, we may use your information to contact you or your team about team schedules, changes in important dates, or notices of upcoming events. We may provide certain personal information to our insurance providers to ensure that the league is adequately insured. We may also use your information to help CCSA executives determine what events or activities would be appropriate for you or your team.

Your privacy is important and we will not collect, use or disclose your personal information for any purpose other than those identified above, except with your consent. We will protect your personal information appropriately. We will protect the confidentiality of your personal information when dealing with third parties. Team Requirements

1. Appointed team leaders must meet minimum league requirements. No appropriate leaders = No Teams. See **Team Roles** for more information.
2. Every participant of your team is responsible to know all the rules that C.C.S.A. plays by. Contact the league for a copy of the rules.
3. Be sure that each **team name** will glorify God, and reflect and demonstrate Christianity. See **Team Name Guidelines** for more details.
4. For new teams or teams wishing to change their names, there is a **New Team Name** form to be filled out. Please submit the application form and accompanying explanation by the **first due date**. This will be reviewed by the league for approval.
5. Each team is expected to maintain a minimum **Christian/non-Christian ratio** of 70% (i.e. for every 10 players on the team, there must be at least 7 Christians). A non-Christian is a participant who indicated either 'No' or 'Maybe' in their player waiver form.
6. Any teams that have senior aged players playing on a junior team, or junior aged players playing on senior teams will need to fill out **Special Exception Form**.

Team Name Guidelines

While CCSA respects the right of each team to choose a team name that best reflects the team's objectives and character, we ask that the following guidelines be adhered to:

1. Team names should glorify God
2. Acronyms or names that do not clearly or obviously relate to Biblical teachings should nevertheless have a meaning that is consistent with the mission of the CCSA. The league may ask team leadership to elaborate upon the meaning behind the team's name
3. Care should be taken to ensure that team names do not have secondary meanings that may be misinterpreted or misconstrued in a manner that is hurtful or inconsistent with Biblical teachings
4. Team names must be approved by the pastoral advisor to that team

The league reserves the right to reject names that are clearly inconsistent with the mission of the CCSA. The league will contact teams if it feels that a team name is problematic. In general, the league will not reject any name that was used by that team in the prior season.

Duplicate Team Names

With the growing number of teams in the league, we are concerned about the number of confusingly similar or identical team names and consequently we are hoping to eliminate future duplication of team names. Teams are not allowed to register a team name that has the same "root" as any other team in the league.

EXAMPLES: A team will not be allowed to register "Christians Jr." if the name "Christians" has already been used by any other team in either the junior or senior division. Similarly, a team will not be allowed to register "Christians II" if "Christians" or "Christians I" has already been registered.

EXCEPTION: Teams are allowed to register a team name if that same name was used by that team in the immediately prior season. Teams using the same names as used in the immediately prior season will always have priority over any new team that chooses to register the same name.
